

STRONG PROTECTION AGAINST DARKNESS

Enjoy a bit of sunshine every day.

ARCTIC SUN

Strong vitamin D and sea buckthorn

The new, high potency Vitamin D preparation for the whole family makes your entire body feel more energetic. The exceptional qualities of sea buckthorn makes it a natural companion for the fat-soluble vitamin D. Together, they are more than the sum of their parts.

ARCTIC SUN: INGREDIENTS

SEA BUCKTHORN

These sour berries have one of the highest concentrations of Vitamin C in the plant kingdom. The berries also contain carotenes as well as a significant amount of Vitamins B and K. You can get all these essential vitamins conveniently in your daily dose of Vitamin D!

Maintains normal eye functionality and helps to maintain the body's normal immune resistance.
Helps to maintain the natural moisture of the skin, and supports the body's immune resistance.

VITAMIN D

Vitamin D is absolutely essential during the winter. Nowadays, it is recommended to take Vitamin D around the year, so that there is enough of it in our body. This keeps our immune resistance strong and our mind clear throughout the year.

Maintains normal immune resistance.
